

Part-Time Technician

Pavilion Theatre, Dún Laoghaire are looking for a highly motivated, experienced technician to join our team under the direction of the Technical Director. Responsibilities in this part-time position include:

- Ensure that security, health & safety, and environmental standards are met and that Pavilion Theatre procedures are followed.
- Understand and engage in all the technical aspects of the theatre's operations such as get ins, get outs, operating lighting, sound, projection, and the building facilities as required.
- Provide technical support as directed by the Technical Director to assist companies using the Theatre while also supervising their use of the Theatre's equipment to protect it and ensure its longevity and safe operation.
- Work collaboratively with incoming companies and artists during use of venue.
- Assist in the maintenance of the venue, venue Lighting, Sound and AV equipment while also maintaining backstage areas, stage area and control room to the highest standard.
- Acting as duty technician for show calls during performances will be an integral part of the job.
- Act as a key holder, undertaking the safety and security of the buildings opening and locking up as required during get in, get out and technical rehearsals.
- Nighttime and weekend work will be the normal part of the work week.
- Any other duties may be assigned from time to time.

Every effort shall be made to ensure that all 'users' interaction with Pavilion Theatre is professional, friendly, and encouraging.

Candidates should:

- Be proficient in the use of EOS lighting consoles or similar or proficient in the use of Yamaha digital mixing consoles or similar.
- Show that they have experience in rigging, focusing, and maintaining lighting/sound equipment.
- Be experienced in operating, programming lighting or sound consoles for professional live events.
- Have experience in operating QLab or similar software.
- Show a keen knowledge of and interest in the technical sound, lighting and av equipment used in professional theatre and music events.
- Have excellent communication skills.
- Be proficient in the use of Microsoft Office applications.
- Have the ability to work comfortably at height.
- Hold a valid M.E.W.P. licence (preferable)
- Have a good knowledge of current Health and Safety regulations relevant to the industry.
